Rules: Contestants must be under 12 months of age at time of race. Racers must crawl from one coach to another, and will be disqualified if they stand up or take a step. No assistance will be allowed from the parents or guardians during the Derby. Coaches may use a bottle or toy to coax the child to crawl to them, but may not step between the starting line and finish line during the derby. Items may not cross over into the race area. Lane lines are for appearance only. Babies do not have to stay in their lanes. Adults must stay where they began (at the beginning or end of their baby's lane – not along the sides). Times of each race will be determined before the start of the race. Multiple heats may be 'crawled' with winners advancing to finals. WINNERS: The first baby to cross any part of his/her body over the finish line is the winner; second and third place babies will follow accordingly. If no baby has crossed the finish line at the end of the appropriated time, the baby closest to the finish line will be declared the winner. All decisions of the judges are final.

For more information, please call 989-859-4884 or email the Diaper Bank at MCDBank@yahoo.com.

PRIZES: All racers will receive a ribbon. First, second and third place babies will also win a trophy and a prize.
