

Our vision is a community where financially challenged families are provided with an adequate supply of diapers.

Our mission is to inspire our community to make a positive impact on financially vulnerable families by providing diapers, wipes and incontinence supplies to our low-income population with babies, children and adults with disabilities, and the elderly. In doing this, we will help to bridge the gap in assistance that is available; Food Stamps, WIC and Medicare do not pay for these needed supplies.

The diaper bank seeks to convert our community's compassion into action to meet the growing needs of Midland County's most vulnerable residents. To accomplish this, we provide diapers to other nonprofit agencies that serve struggling families who are experiencing poverty and crisis. Your donation helps the Diaper Bank achieve its mission. Thank you again for your hard work and efforts.
